

Continuation of Substance of Interview including description of the general nature of what was discussed: examiner called to propose examiner's amendment, which Mr. Urian drafted for approval, An updated search found numerous patents that would read on the claims. Examiner called to tell Mr. Urian that unfortunately the examiner's amendment would not be prepared. Mr. Urian requested seeing all the references so as to best tailor any response. Due to the effort of Mr. Urian, examiner has applied numerous references to allow applicant to amend around all without unexpected references or interpretations..
